

II. REMARKS

This submission is responsive to the Notice of Non-Compliant Amendment mailed on November 6, 2008 and is supplemental to the Amendment and Response filed June 9, 2008. Applicants believe that the Response filed June 9, 2008 with list of claims submitted herewith are fully responsive to the Office Action mailed February 8, 2008.

Objection to the Claims

The Notice of Non-Compliant Amendment objects to the claim identifiers because the listing of claims did not identify claims 30, 57, and 62 as withdrawn; the Examiner had no other objections. In response, Applicant has filed herewith a listing of claims which indicates that claims 30, 57, and 62 were withdrawn by the Examiner in the Office Action mailed February 8, 2008 as being drawn to non-elected subject matter. Claims 30 and 57 are also currently amended. The listing of claims does not contain new matter. The listing of claims provided herewith is fully supported by the specification as filed, and merely corrects an obvious omission which one of skill in the art would recognize the existence of, as well as recognize the appropriate correction for. *See* MPEP § 2163.07 (II). Therefore, the Examiner is respectfully requested to enter the listing of claims and indicate acceptance of the listing of claims enclosed herewith by withdrawing the objection.

III. CONCLUSION

In view of the above, each of the presently pending claims is believed to be in immediate condition for allowance. Accordingly, the Examiner is respectfully requested to withdraw the

outstanding objection and rejections of the claims, and to pass this application to issue. The Examiner is encouraged to contact the undersigned at (202) 942-5186 should any additional information be necessary for allowance.

Respectfully submitted,

Date: November 13, 2008
